REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31 MARCH 2020

The Directors, listed on page 3, who are also Trustees of the Association, present their report and the accounts for the Association for the year ended 31 March 2020.

Structure, governance and management

Governance

The Milton Keynes Play Association is a company limited by guarantee and a registered charity and is governed by its Memorandum and Articles (which in turn incorporated the governing document adopted prior to incorporation).

Trustee recruitment

The Trustees are appointed by members at the AGM each year and are members of the public who have expressed a particular interest in serving as trustees of MKPA. New Trustees are introduced to the work of the MKPA by the staff and Trustees and provided with whatever assistance they need to perform their duties effectively.

Organisational structure

The Trustees/Directors, meet as a Board on a regular basis and are responsible for the management of the affairs of the MKPA. All major decisions are made by the Board, including the approval of annual accounts as well as material agreements, major capital expenditures, budgets and long range strategic plans and they have delegated day to day operation decisions to the senior staff. All Trustees are non-executive.

MKPA is one of the longest running charitable organisations in Milton Keynes, with over 40 years' experience of supporting child-centred play. MKPA supports parents, childminders and a range of organisations including After School Clubs, Nurseries and Schools who provide services to children and young people. MKPA also partners with Parish & Town Councils and has close liaison with other organisations such as MK Parks Trust, Community Action: MK and other voluntary and community groups.

Although each is independent, it cooperates with play associations in other local authority areas and shares best practice with those bodies. It is also arranges, on a national basis, joint resources "swaps" to share donated materials to the mutual advantage of each participant.

Risk

The principal risks to which the charity is exposed relate to the safety of the children and young people with whom it is in direct contact and to funding its sustainability. Procedures, which are reviewed at least annually, are in place to manage the risks involved in dealing with children and young people. The Trustees review regularly the MKPA's financial situation to enable them to take appropriate action to minimise as far as possible the probability and likely impact of the financial risks.

Pay policy

Pay for all staff is reviewed on an annual basis and MKPA is working towards being a Living Wage employer.

REPORT OF THE DIRECTORS (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2020

OBJECTIVES AND ACTIVITIES

Objects

The objects of Milton Keynes Play Association as set out in our governing documents are “through play, to help and educate children and young person’s resident in the Borough of Milton Keynes and the surrounding areas through the provision of facilities for recreation and other leisure time occupation, so as to develop their physical, mental and spiritual capacities that they may grow to full maturity as individuals and as members of society and that their conditions of life may be improved”.

Public benefit

The MKPA carries out a wide range of activities in pursuance of its charitable objectives, for example providing opportunities for open access play in parks and green spaces across Milton Keynes, training for those working with children, specialist play equipment and play resources from our Scrapstore and shop. The Trustees consider that all of the activities it undertakes meet the test of public benefit, by meeting the needs of children and young people in Milton Keynes and of those who are directly responsible for their care and the wider community.

The two core aims of MKPA are:

- Making Play Happen – we want all children in Milton Keynes and the surrounding area to have the opportunity to direct their own play in an open and accessible environment.
- Making Play Matter – we want to ensure that the statutory, private, voluntary and community sector understand the value of child-centre, free play, and that the organisations that work with the children are trained and resourced to provide high quality play opportunities.

Mission

Milton Keynes Play Association exists to provide opportunities for children to experience child-led play through the provision of professional play services.

Aims

1. We aim to advocate a child’s right to play and ensure that everyone understands its importance.
2. We aim to lead innovative play practice.
3. We aim to provide resources to support child-led play (people, places, things).
4. We aim to be a growing sustainable and well run organisation.

Achievements and performance

MKPA was established and initially funded by Milton Keynes Development Corporation in 1971 as part of their community development/outreach work with new Milton Keynes residents.

MILTON KEYNES PLAY ASSOCIATION
(A company Limited by guarantee)

REPORT OF THE DIRECTORS (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2020

Historically, much of MKPA's work was grant-funded. This grant income gradually reduced, over a number of years, resulting in a restructuring process and staff redundancies. As the annual accounts for the last three years illustrate, MKPA has struggled to deal with the effect of the redundancy payments whilst making the transition to an organisation which trades and earns its own income.

MKPA operates four core services:

- Play Services
- Resource Services
- Training Services
- DBS Checks

Play Services are central to the delivery of the charitable objects of the company, and whilst our track-record of trading is solid, MKPA has had to recognise that delivery is at a level where it cannot be scaled up to have a positive impact on our financial sustainability. We currently deliver Open Access Play sessions to Parish Council in Milton Keynes and Scrapshacks in several schools (a large container filled with recycled/upcycled materials and equipment suitable for outdoor creative play).

Scrapstore (which takes re-usable waste products from companies which has play use) is hugely valued by our 1,500 members' who know about it, but the service is repeatedly described as "the best kept secret in Milton Keynes". Our hire scheme for play equipment was used by over 300 separate organisations during the year, but the condition of some of the equipment is far from ideal and is under review for replacement, additional equipment and repair during 2019/2020

Our training courses were attended by over 2,300 people last year, and our Disclosure and Barring Service (DBS) was used by over 800 people.

Financial Review

MKPA earns income from each of its four core services. Expenses encountered to deliver our activities are governed by the income generated as a non-profit organisation. However, this stance has to change due to the fact that grants are now more difficult to obtain, so the decision taken is that we will have to increase our reserve funding to cover any unforeseen shortcoming in sustainable resources.

Income over the past year has stabilised with little movement from the previous year. Play Service income comes largely from Parish and Town Councils, who contract with us to deliver Open Access Play Sessions in the school holidays, and Schools who receive our Scrapshack service. In addition to this core income, we are asked to support a range of community events across Milton Keynes. Our total earned play income annually is around £88k.

Resource income from our Scrapstore and shop is in the region of £70k annually, and training and DBS checks earn us £112k per annum. Hire equipment currently earns us around £10k per year, and Membership of the organisation £22k.

The membership levels and the income this generates remain consistent.

FOR THE YEAR ENDED 31 MARCH 2020**

Reserves

In accordance with Charity Commission Guidance, MKPA reviews on a regular basis the level of free reserves (that is uncommitted unrestricted funds) that it considers appropriate and its current policy is set out below:

The aim of the MKPA is to maintain sufficient reserves to provide it with the time it requires to restructure its activities to meet its changed circumstances in a controlled and measured way. The Trustees consider that a sum equivalent to 3 months' total expenditure will be sufficient for this purpose and steps will be taken to accumulate this sum as the opportunity arises.

Grants have been received post the year end in the sum of £51k of which 25k was a Government Rates Relief grant for COVID.

Investment Policy

The Trustees are currently considering social investment as a way in which to deliver increased financial and social returns. Any such longer term investment will only be undertaken with the approval of the Trustees after proper consideration of the risks and returns involved and subject to whatever controls they consider appropriate.

Political and charitable donations

No charitable or political donations were made in this financial year.

Plans for future periods

Much time over the year has been devoted to a review of the whole operation through a programme funded through Big Potential. The resulting report from the consultants was submitted toward the end of the year. An action plan has been produced which is to be worked on during 2019. Unfortunately, the bid for further investment funding as a result of the work done was ultimately unsuccessful, primarily as the scheme was oversubscribed.

Trustees' responsibilities

The Trustees (who are also the directors of Milton Keynes Play Association for the purposes of company law) are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Trustees/Directors to prepare financial statements for each financial year. Under that law, the Trustees/Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law, the Trustees/Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and the income and expenditure of the charity for that period.

MILTON KEYNES PLAY ASSOCIATION
(A company Limited by guarantee)

REPORT OF THE DIRECTORS (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2020

In preparing these financial statements, the Directors are required to:

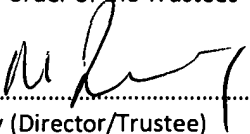

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and accounting estimates that are reasonable and prudent; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees/Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Reappointment of independent examiner

INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS
FOR THE YEAR ENDED 31 MARCH 2020

I report on the accounts of the company for the year ended 31 March 2020 which are set out on pages 8 to 15.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The Trustees (who are also the Directors of the company for the purposes of company law) are responsible for the preparation of the financial statements. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England and Wales (ICAEW).

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- Examine the accounts under section 145 of the 2011 Act;
- To follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- To state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair View" and the report is limited to those matters set out in the next statement.

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination, no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that in any material respect the requirements:
 - To keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - To prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- (2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The notes on pages 10 to 15 form part of these accounts.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2020

1. Statement of accounting policies

a. These financial statements have been prepared in compliance with FRS 102, "The Financial Reporting Standard applicable in the UK and the Republic of Ireland", the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102) and the Charities Act 2011.

b. The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

c. Potential Impact of COVID-19

The trustees have considered the potential impact of Covid-19 to the charity. They believe that there will be an impact on its activities during the financial year to 31st March 2021. The charity carries out a significant amount of its work at events which have been hit significantly as a result of the imposed lockdown by the UK government including measures in place for social distancing and limits on public gatherings. These have reduced the income and costs of the charity.

d. Format

The company has taken advantage of the provisions of the Companies Act 2006 and presented an income and expenditure account in the form of a statement of financial activities on the grounds that it enables the financial statements to show a true and fair view of the result for the year.

e. Disclosure exemptions

The entity satisfied the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- a) No cash flow statement has been presented for the charity.
- b) Disclosures in respect of financial instruments have not been presented.
- c) No disclosure has been given for the aggregate remuneration of key management personnel.

f. Fund accounting

Unrestricted funds are those which are available to be used by the Trustees at their discretion in furtherance of the charity's objects. Unrestricted funds also include any funds designated by the Trustees for a specific future purpose. Restricted funds are those which must be used only in accordance with the specific instructions imposed by the donors. Direct costs are charged as appropriate, but overheads are recovered from restricted funds only insofar as the terms of the funding permits.

g. Income

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2020

- Legacy income is recognised when receipt is probable and entitlement is established.
- Income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- Income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

h. Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. When costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of the resources.

i. Goods for resale

Stocks of goods for resale are value on the basis of cost, less any provision for diminution in value. Stocks of donated items are not valued on the balance sheet as this depends solely on members' discretion, when making a donation.

j. Fixed assets

All fixed assets are initially recorded at cost.

k. Depreciation

All assets will be depreciated at the following rates, designed to write off their cost less any residual value over their expected useful lives:

Furniture and equipment	25.00% straight line
IT equipment	33.33% straight line
Motor vehicles	33.33% straight line
